

Schools Work Training

I'm not sure what I'm allowed to say in schools

Ever wanted to serve your local school through schools ministry, but had one of these thoughts?

I don't know how/where to get involved

I need help with planning and ideas

Standing at the front of an assembly isn't for me

Great Open Door and Scripture Union would love to invite you to our schools work training event.

The session will take you through the things you need to know, look at different ways you can get involved (from reading with a child to leading assemblies) and give you a chance to work with others to create an activity that you could deliver in schools.
